

In viaggio verso l'Isola del Corsivo

LABORATORIO PITTOGRAFICO

1°B

2022-2023

Cari amici della 1^B,

*sono il vostro amico Pepito, so che avete già imparato
tante cose a scuola e quindi siete quasi pronti
per approdare all'Isola del corsivo!*

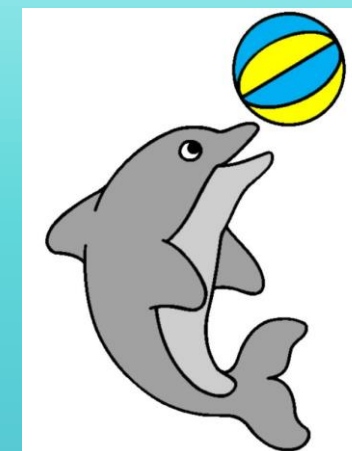

*Ma prima dovete seguire i consigli di alcuni
simpaticei amici che vi guideranno
in questo viaggio...*

Salpiano!

Ecco il nostro laboratorio pittografico in preparazione
alla scrittura in corsivo.

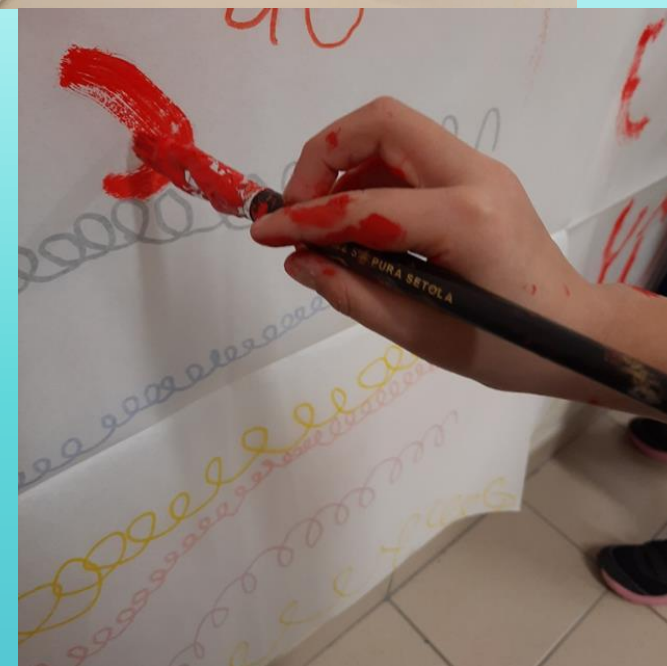

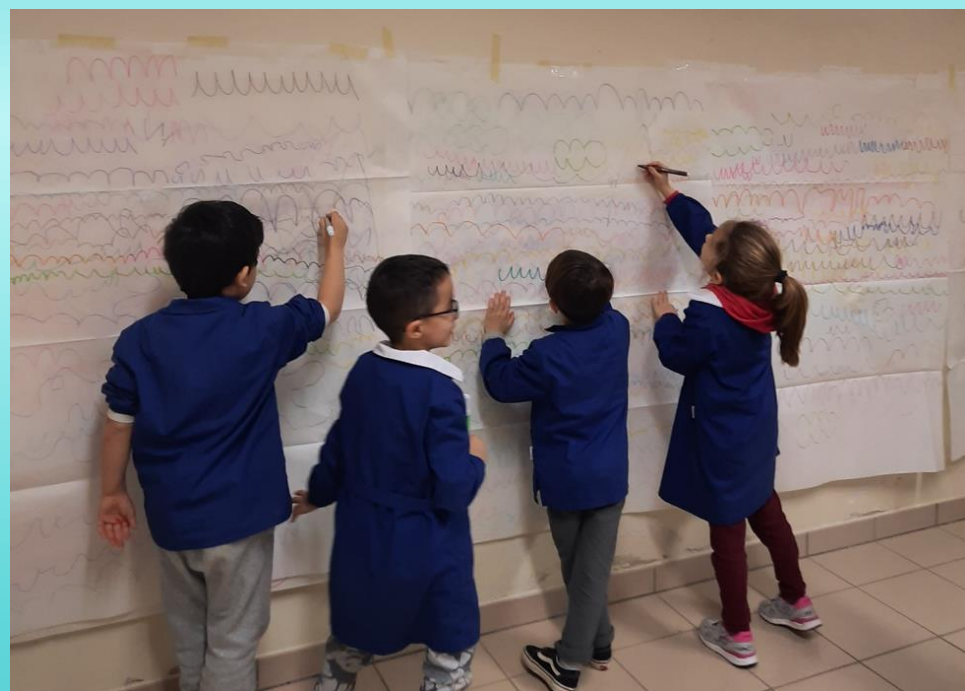

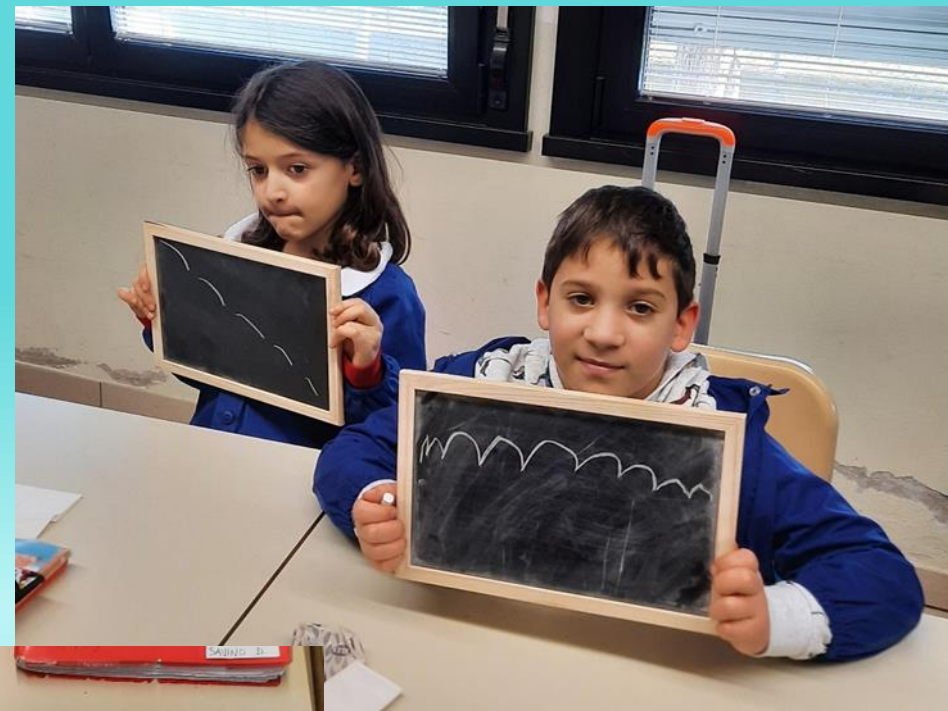

I bimbi imitando «i passi» di alcuni animalletti hanno sperimentato
gli stressi gesti grafici che ritroveranno nelle lettere cursive.
Così giocando e divertendosi sono pronti per approdare
all'Isola del Corsivo!

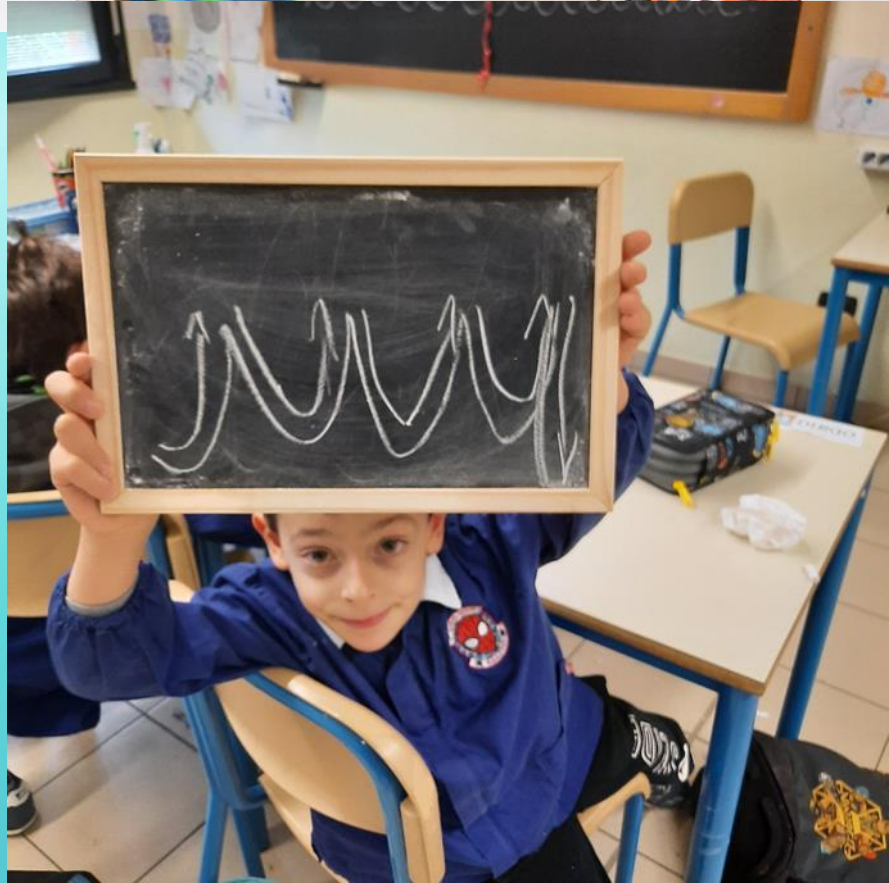

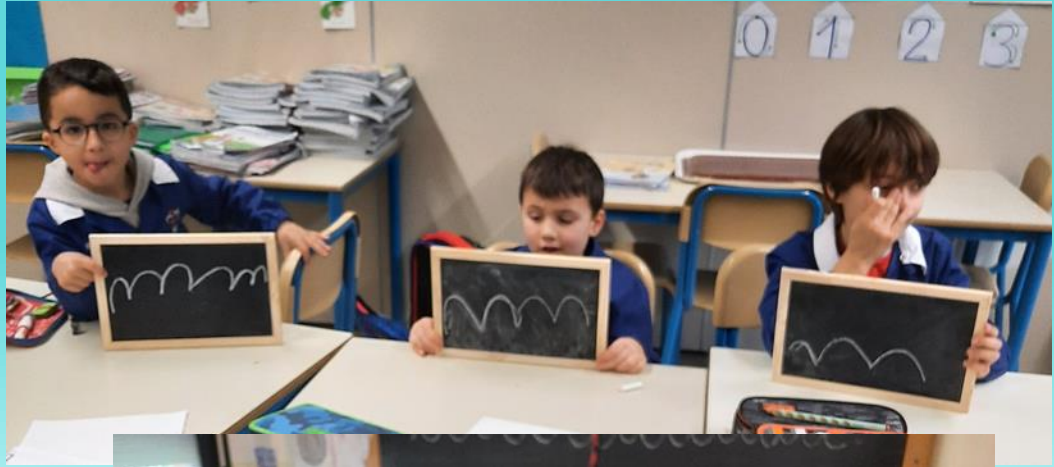

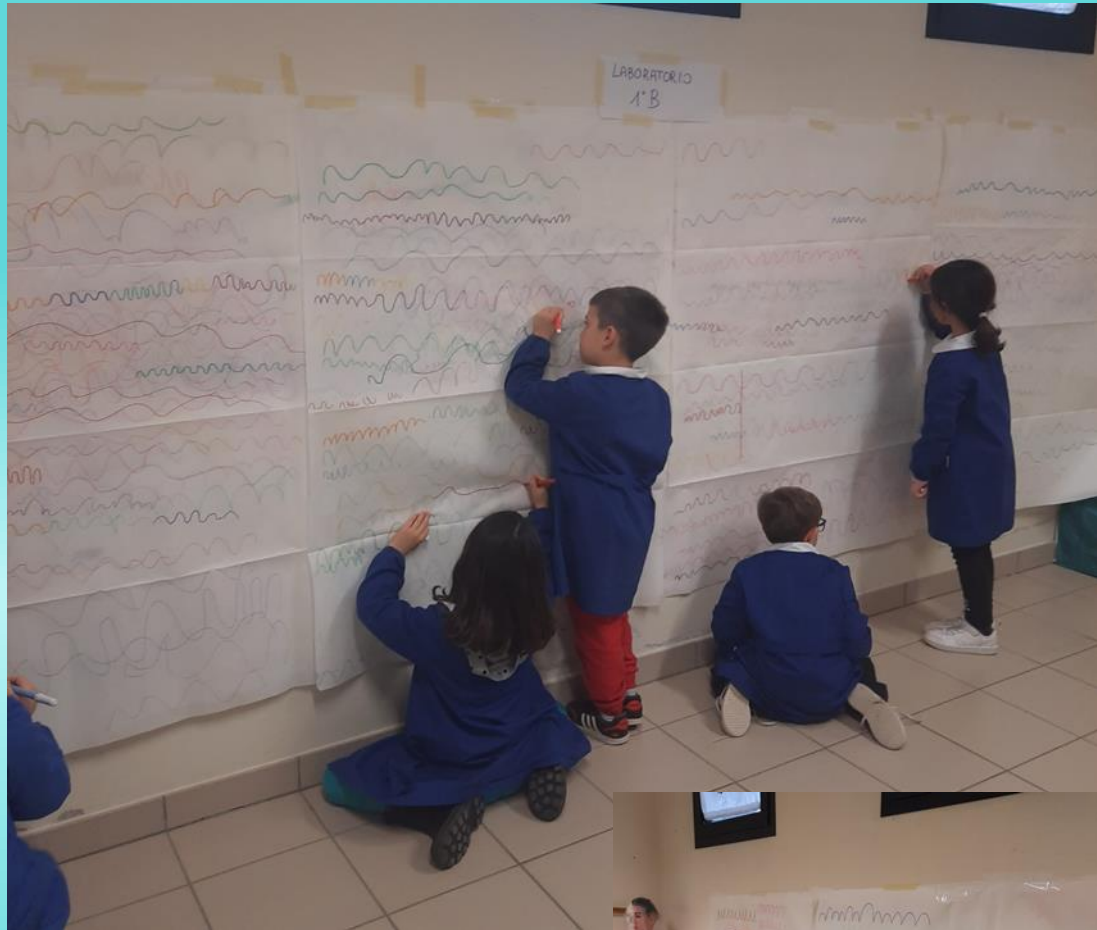

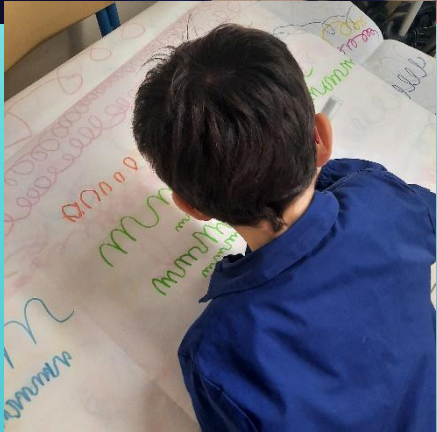

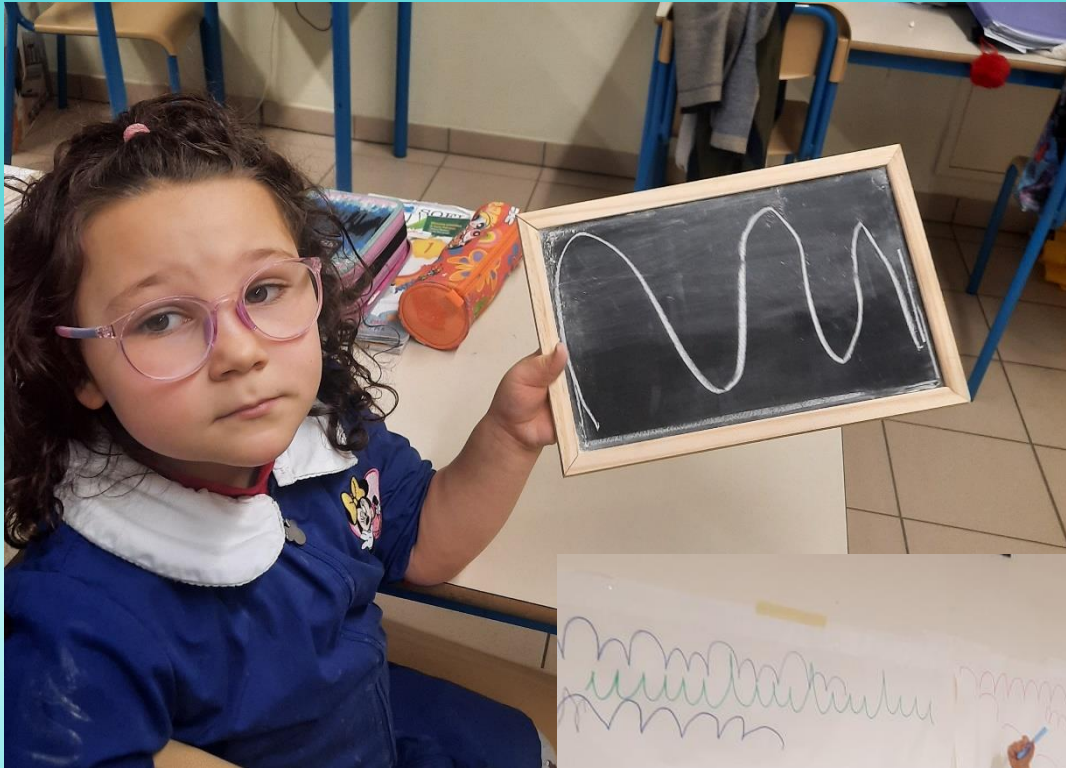

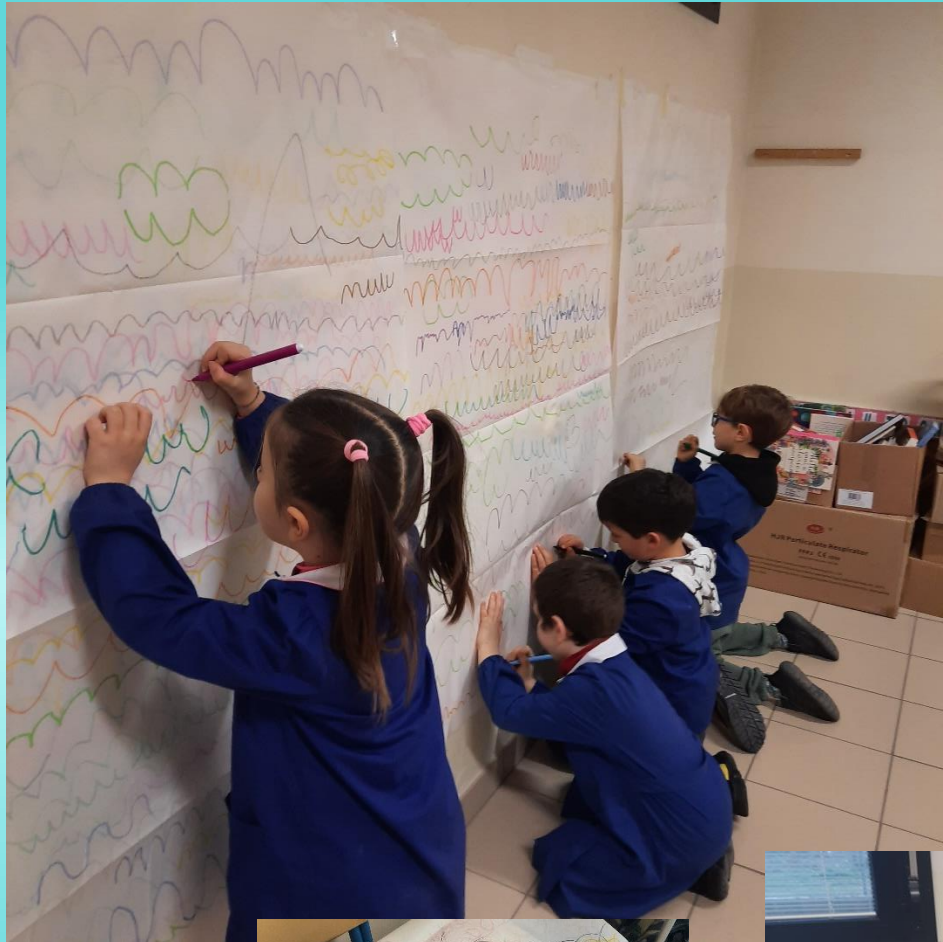

Il laboratorio prevedeva tre momenti principali

- Lavagnetta
- Piano verticale con pennarelli e tempera
- Quadernino degli allenamenti

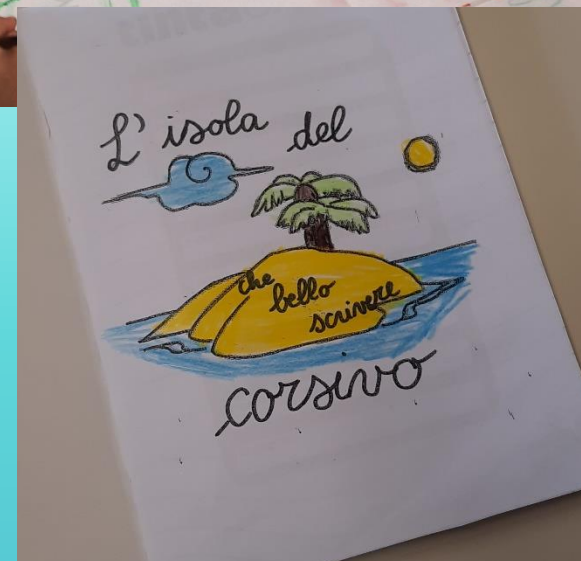

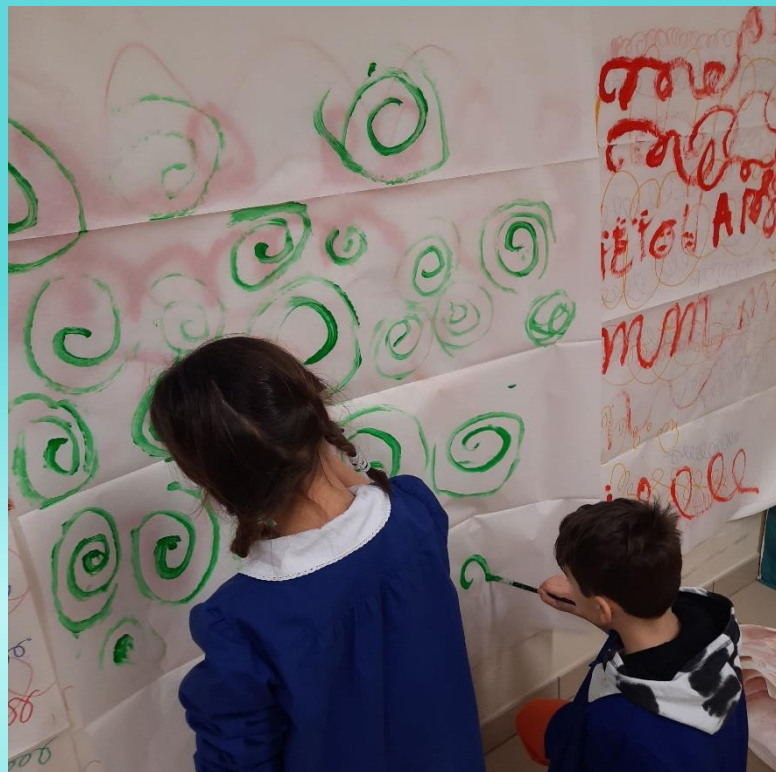

Per allenare il gesto grafico attraverso vari strumenti
